Jen,  
I'll make an effort as well.

**Subject:** Images from Pollinators book

Good morning Tom, David,

I have been unable to get in touch with Laurie for potential images for our book poster. Would either of you have images (from the book or just relevant to content) that we could use on the promotional poster?

If not, Sabine and I will look at stock photos. Thank you for your help!

All the best,  
Jen
